

2018 TRANSCULTURAL NURSING SOCIETY (TCNS)
RESEARCH AWARD HONORING THE CONTRIBUTIONS
OF THE NORTHEAST CHAPTER OF TCNS

Award: \$1000

Purpose: To support research by masters or doctoral students related to/in transcultural nursing by providing support for research.

Criteria: For research conducted by masters or doctoral students in partial fulfillment of a master's or doctoral degree. Research investigations must focus on transcultural nursing phenomena.

1. Applicant must have been a member of TCN Society for at least one full year prior to the time of application and be a current member in good standing. (All TCNS Elected officials are not eligible to apply)
2. Submit all application materials to Transcultural Nursing Society Research Award. All materials must be submitted together and cannot be changed after submission. Email is the preferred method of submission.

3. Proposal deadline: **February 15, 2018.**
4. Awardees must present their completed research findings at a Transcultural Nursing Society Annual Conference and/or a TCNS Regional Conference, including but not limited to a Northeast Chapter Annual Conference, within three years of the completion of their research. Awardees will assume all travel expenses and pay the conference registration fee for the Transcultural Nursing Conference at which they present their findings.
5. Awardees must complete and sign all required forms for the TCNS and IRS, as applicable, before receiving the award. The signed contract and forms must be received by the Transcultural Nursing Society Central Office prior to an award being dispersed. One research award application per research project can be funded if accepted. You cannot apply with the same project for a second award. It must be a new project.
6. All applicants must submit:
 - 1) A five page research proposal and one page budget.
 - 2) Letter of recommendation from dissertation advisor if applicant is a doctoral student.
 - 3) Statement describing past contributions to the Transcultural Nursing Society.
 - 4) Statement describing how research will further the knowledge base in transcultural nursing.
